Number of UCSB enrolled students indirectly involved in your project? _____

Estimate number of community members affected (directed or indirectly) by your project.

How?

Did students participate in the project's management, or did they play a supporting role? Explain.

What type of educational benefit and career-related training did participating students receive? Please be specific.

Outreach:

How were the results of your work disseminated to the UCSB community?

Where was Coastal Fund logo or name listed or displayed to the public?

Evaluate your success in this area—what could you have done better to spread awareness of your work to a wider student audience?

Critique of project:

What did not go as expected in your project (positive or negative)?

How could your project have been improved?

Please give feedback on this final report form. Areas of improvement, modifications, questions to be omitted or added, etc.

THANK YOU FOR TAKING TIME TO COMPLETE THIS REPORT!
